Frederick, Md.

Dear Harold:

This evening I got a phone call from Ralph Adam Fine, Channel 6, Milwaukee, concerning his show last Sunday with Selin, 90" from 11:00 - 12:00.

Several points are of interest.

- 1) There was a terrific turnout for the TV audience & viewer response was fantastic.
- 2) Many supporters of the Warren Report agreed.
- 3) Selin was slick, the format lending itself to nonsense — questions phoned in which ran the gamut of obvious points.
- 4) Fine tripped him up with the bullet, but apparently missed some other.
- 5) Selin says there was one gunman on Dealey (infering non-gunmen others) and that was Oswald.
- 6) Selin said after the elections he will have things to say about the Cuban thing.
- 7) Warren's Betrayal (degenery) was well known to Selin & he smiled when he said he knew it.
- 8) Many people ~~asked~~ afterwards asked for Selin's autograph.

I will be typing up a transcript & sending it to you, a little later. The secretaries around here agreed to do it & Fine will send the audio.

Regards
