Dear Mr. Bair,

This is to remind you of our conversation when I was in New York a month ago, about the money due me.

I have written Bill Lucas since then, but he has not responded.

I have also been in touch with Saga, also without response.

I would appreciate getting this money, which should not have been withheld. I do need it.

Sincerely,

Harold Weistberg

P.S. I understand you are doing the "true book on the Ray case". I would like a copy to quote, with attribution, in my own writing, as soon as one (or galleys) are available.
