Dear Mr. Tobey:

Here is another copy of the March 3, 1967, Washington Post story crediting me with outlining the present New Orleans investigation in WHITEWASH. There are a few minor errors and misquotations in it.

I continue to receive reports of the unavailability of WHITEWASH for protracted periods of time in major centers and minor, including Washington, New York, San Francisco, Los Angeles and Portland, Oregon, recently. There seems not to have been a copy on the closest city, Frederick, for two months.

Sincerely,

Harold Weisberg
