

Bob -

The info in TP2 of  
attached is substantially  
that testified to by Mrs. Rich -  
Hamilton to the Warren  
Comm. Altho Mark Lane  
says (TP3) that it is significant  
in connection with Garrison's  
investigation I do not see  
any connection. The woman  
admitted to the Warren Comm.  
that she was a prostitute & was  
hustling for her husband.  
she claimed to have worked for  
Jack Ruby. In her testimony  
she did not indicate any knowledge  
of Oswald.

Nothing in Dallas index.  
Probably in Boston reports.
