

NO 89-69

A pretext telephone call to the Southern Scrap Metal Co. developed that CLAYTON R. BERTRAND is a white male and has been employed by that company for approximately four years as a crane operator.

(b)(7)(c) In view of the wide spread publicity of the name CLAY BERTRAND and CLEM BERTRAND through newspaper, radio and television media, plus the fact that the records of the Southern Bell Telephone and Telegraph Co. show that the telephone service of [REDACTED] 403 Gatehouse Drive was installed on 9/20/64 and the telephone service of CLAYTON R. BERTRAND, 1014 N. Salcedo St., New Orleans, La. was installed on 9/20/68, both of which are subsequent to the assassination of President JOHN FITZGERALD KENNEDY, no further investigation is being conducted by this office to further identify the individuals mentioned in this communication.
