Mr. Paul Rotharmel
Hunt Oil Co.,
1401 Elm St.,
Dallas, Texas

Dear Paul,

I'm more than usually pushed for time. I have continued the work of which I told you briefly, indicating that Texas and some of your more prominent people were among Washington's needless victims of this entire matter. When I can I'll tell you a little more about it.

Meanwhile, I have obtained a copy of the chart of which I earlier told you. It says more than I knew. Here it is. I prefer that you keep it to yourself as much as you can, at least for now. But I think you will be even more interested when you note what I could not tell you about, not knowing it at the time.

Hurriedly,

Harold Feisberg
