re: H.C. Hunt

A great subject but who knows if this fellow's friend can deliver the goods.

Can we get more info -- maybe an outline and a sample chapter? -

Better yet, why not bring it up at the next editorial meeting and see what Marc says.

BS

P.S. Rob (+ wife Mabel) Williams will be our overnight guests Friday, this week.

Hal - It seems you still did not receive a copy of Khrushchev

so I bought one today at Brentano's.

It may as it may sound, this is the first copy of the Bantam edition that I've laid eyes on. Never had one in the office. See you soon?
Best,
Walt

I had discussed it with Marc already, those affidavits had been so-so. Now I'll try for a kind of formal discussion during the editorial meeting on Friday.
