Dear Paul,

Got your letter of the 26th, with the return of the material in which I thought you'd be interested. In writing you I forgot to give you what I regard as a sign of ~~the~~ federal intentions in the deitman matter: Dempsey was allowed to return to Canada. If there were really serious intentions, I believe he'd not have been allowed to go home.

Dear Mr. Weisberg:

Thanks for the more legible copy.

Thank you for the enclosed material which you sent in

You say, "For your information, I enclose a copy of Fensterwald's letter". However, by mistake, your girl xeroxed my letter to you and enclosed it instead. You are abreast and help me keep my name

I wish it were possible for us to get together and talk of a number of things sometime soon. If you have any plans for getting to Washington and will have a few minutes when you are there, please let me know.

For your information I enclose a copy of Fensterwald's letter.

Sincerely,

Very truly yours,

Harold Weisberg
