Mr. Harold Weisberg

A few days ago a few of my friends was discussing the death of Pres. John Kennedy. Mr. Stephen ST John, President of Metatron was a part of the groupe. He ask me to tell what I said in a letter to you.

This is what I said. A few days after the President was kill, over the radio a reporter said that Village Voice news paper reported that Lee Harvey Oswald was in New York City a few days be the Pres. death.

I have lived in Greenwich Village many years. This evening I and a women friend had walk from the NAACP Branch Headquarters, W forth St. and when we reach 7 Ave. There was two y oung men, one was a little tall and thin, the ^{short} man was not as tall, a little on heavy side, both was drunk, the short man was very vicious and the ^{other} man jest stood on the side and keep smiling, at his friend wanting to attack me. I could tell that both was sootherners. After seein^g the picture of Oswald I was sure the report about him being in the Viillage was true.

Yours truly. *James Yates*
