

Dear Mr. Adams,

11/14/94

I appreciate your letter of the 11th. Thanks for it.

Our price list is enclosed.

It may interest you to know that most of the people who now write me go out of their way to tell me how old they were when JFK was killed. Of those who do, you are about the oldest. Almost half had not been born then. But I also hear from those older than I. I'm 81. And from ^{you} Case Open, which ^{is} a lawyer you might appreciate more than most, not a single adverse comment. Not even those ^{that} are justified by the publishing butchery. Aside from the elimination of about 3/4 of what I wrote, the defense brief response to Posner's prosecution brief. Mine 100% official evidence. It exculpated Oswald, what I'd never set out to do. I've ^{addressed} only the evidence, official evidence. Using ~~it~~ almost 100%.

NEVER AGAIN! I fear is being suppressed. I can ^{only} gues why. ^{It} is a solid work. It could easily have appeared by 7/92 and when it did not and I started asking I was promised September 1994. That was announced and appeared on the book-store computers. When that did not happen a friend checked these computers. I'd then been promised 3/65. It is not even on the computers now. When I can I'll be writing about ~~that~~. ^{If} I get an answer I'll be surprised. Contract^s as you know are worth only what you can ~~make~~ ^{make} them worth and when I cannot travel, have ~~no~~ ^{an} agent, ~~am~~ ^{am} frail and in ill health, I can do nothing. As they know.

I do thank you for your good wishes. When I faced the fact after successful heart surgery that I may not be around very long I decid^d to spend what time remains in perfecting the record for history to the degree possible for me. Aside from those ~~two~~ books I have two being retyped, each entirely different than any of my others, and I'm working on another and have still another party researched.

Thanks and best wishes,

Harold Weisberg

RE: Case Open

Dear Mr. Weisberg:

Thank you for writing Case Open. As one of the millions of Americans who rejects the findings of the Warren Commission, I was outraged by the publicity surrounding Posner's arrogantly false book, and I was heartened to see that a well-respected researcher responded so quickly and appropriately.

I was twelve years old when John Kennedy was murdered, and I happened to be in front of the television screen when Oswald was shot. Although the demands on my time of supporting and raising my family have prevented me from doing any "research", I read virtually anything I can about the assassination in the hope that some day the truth will come out. I have long been an admirer of your work, although your books are difficult to find.

To that end, please forward copies of Whitewash; Whitewash II; Photographic Whitewash; Oswald in New Orleans; Whitewash IV; and Post Mortem, and please bill me for the books and shipping and handling. If you prefer, please advise of the cost and I will send a check in prepayment.

If Never Again! has been released, kindly include a copy of that, as I have not seen it in the bookstores up here.

Once again, thank you for all of the contributions you have made to the attempted resolution of this controversy. May God bless you and keep you healthy for a long time to come!

Sincerely,

Mike Adams
