Dear Mrs. Aron,

Many thanks for your kind note. Your station forwarded it to the Lyne Show, whence it was sent to me.

If there is any help you can give, I'll be only too happy to ask it.

Meanwhile, a more direct answer is to inform yourself, encourage your friends to inform themselves, and then, in whatever ways you can, make your voices heard, including by public officials.

Sincerely,

Harold Weisberg

Dear Mr. Weisburg;

I recently saw you on "The Joe Pyne" discussion show. As a Private citizen of the United states, I an very much interested in this countries welfare.

I feel that finding the truth about President John F. Kennedy's assination is important to the welfare of the United States. I have read many articles from magazines, newspapers, and also the very controversial book, "The Death Of A President", by William Manchester, and I am under the impression that there is a lot of truth in what you, Mr. Garrison and others have said.

The reason I am writing to you, is to ask if I can possibly help in any way prove what you and Mr. Garrison have said.

Thank you,

Mrs. Barbara Arot
