Dear Ms. Ayebou,

I am sorry I cannot be of any help. I'm 82, frail, and it has been unsafe for me to drive out of Frederick for 20 years and I have not.

As I remember it, there was a small amount due on your order for Frame-Up. I was not aware of your situation.

Forget about the amount due.

I am sorry I cannot help. What you allege is, unfortunately, not uncommon.

Best wishes,

Harold Weisberg
