

Dear Mr. Weinberg!

WBBM

I listen to your argument Jan. 7-1967
at Random - and I want to let you know
that I read in Czech Newspaper this
News (which was taken from French Newspaper)
and said about the assassination about our
dear president J.F. Kennedy.

It could not be Oswald - but a man
in Police uniform - and when the Dallas
Police make a search after the shooting,
the men in Police uniform miss him -
self between the Police and so he
disappears! That was printed in French
Newspaper (translated in Brigade slovakie)
1965 - and I am sorry that I don't
clip that out as a evidence. Please excuse
my English.

Very truly

A. Albrecht
