

9/12/84

Dear Don,

I hope a member of your staff will have time to read the enclosed and discuss with you some of what I see in the pending amending of FOIA to exempt the CIA.

Combined with Reagan's fiat that it return to prohibited domestic operations, it is a possible step toward police statism.

Best wishes,

A handwritten signature in cursive script, appearing to read "H. Gold", is written below the typed text.
