Dear Mick,
I appreciate your reply, ite promptnesa, nd twe eneck. I will reply coudidly, tue only ionest basia of cmmailcation betwe a friends.

Thery never wes any oustion tut tuat your comithee mas to poy all my transportation expenses and a smell honorsrium. There never wes eny doubt - was to get til faro in udvance, for I did aet have it to gavance, and that I would use the conorurium to innence other trovel, to see othors worxing in the flelu and brine iwem up to date on what + aed lesrned. wh taere aever was eny doubt there was no chance of peraonal gain tor me in this exhutine untertaing.

George did send the $\$ 100$ in advance, und he did giva me some money when I was there. Ne also eent a chack wita i lettar to mich I responded 11/25. uy wife ia ili and ia rosting, so I cannot ner $w$ ubult tae books on this. When he puoned ne right after the Shas trisl, he avid ae hed aent onther $\$ 100.0$. It never got here und he never enswered any of the lettens I vrote to secertaic if it tas Lost in the noil. In isct. \& needess and particularly inexcuseable sbuse hes been Ceorge's refusel to rosiond in eny wsy. I cannot even afford the \$ $\$ 1.00$ ior tue ofi-rate phone call. Georga knew my zitustion, as you did not. + 've agd not e cent ofincome in ifve yesre, fth the litule raturn fron tav ilrat book put into tue second. Ve are, with mo income and fo backlog, resily very doep in dobt, the i terest alone belice a najor problem tor us-sill from this. That is alay 1 em un ble to revel aithout getting y fere in edvance. 1 ngve found, unhsppliy, thet the best-intentione people, the finest, slivys menage to Hesure thelr falluree to keep thir romives are of no consequezces.
 sduitinnal load it impozed, wy verious trip to delifornis, fiter what little I heve been eiven wea ouplici, pht me well over 1,000 in debt, tuif ig intolerobie, sin especialiy tit decent mople ho know this-in : il ceses taey didshnuld never have aded this burden. nd wen you cnnelcer the hours $I$ work every dsy, th lit:le sleep - heve gotten, it is indecnat for fine guy like Georee to edd this cbuso. I an ald ncult to beve lecrned not th harbor these thinga. y hirh opinion a Geore is unchnnged. Dut I olso s ow tist unlesa be is very sick, he couli krve responded the ifirst time I esked him bbout the belonce ue me ent ased tee all the titit my letor, weated lettors recuirad. 11 thia time come out of woris +'ve done, ulu until jou ery bere, you wili fot know what + eave or now lon it aili toke just wo wite mut - have. Derore + leave tnis, + Nant you shao to know tamt + do aot accept ony invitations iron those who Want ste to speak, where I whilling to do it witnout income from it, without udvence ticisets. - made an excestion af your pople bectuze g-vorge, who have always 11 k , and bia dad, who la ne of the noblest oule ever to erece tie earth end for whom + heve the greatest reapect an tiae deepest sfiection, ione of this was known to tae rest of your comsittea, i besung, but it is sil true... among the taings i csnrot take tive to do is ksep s saperets set of booise on unkept promiaes. The cesiest oy to learn anot you the ae is to esll the irlines, get tha cost of a Baltivore-san liego rouni trip, sad about $<15.00$ for the cost ní trovel aiu parking to tie sirport, sad, if you c n learn fro George the smell honorarium be geid tere would be, "y best recollection 1 a thot it was tc bave been, from both appesrances, between : $125-150$, abici 1 a , think you
 for one mating, in whicn uvent insato get whutever there nse over tua coat. I em not clear on tais. On the booke, the yr negraent was a you recall, ilth you paying tranaportation costa, waich is lof more discount tosn the beat customer amonf bockstores gets. If she san fi d it waen sas ewokens, I'll get a copy of the invoice from my aife and enclose thet, I see no point in the immeiste return of the unsold books, unleas youratant to get rid nf them. There may, from time to tine, be a cell for some. But when you return sny, be sure to ingure them, for there is alwoye demage and 1 cennot sell damaged ones.

Io ynswer gour stecific cuestions: by wife tes gwokened. iro our bo-ks it iz unclegr vother my $1 / 25$ letter refere to on adtitional check of wast George gave re when 1 wes tiere. I find no accompenying lattor froc zaxa hith for that periou, so 1 assure it is the letter. Nor, tas total due on the books is $\$ 181.65$, se per enclosed invoice, ond out sueck to the trevel agent is for 3270.96 . This ia exlcusive of tho alae trip not iekotel in ajvance, tonse I'd expected to finence from the bonorgrium eni withnut thiten I'va not hete cominited then. I fully approeinte the ;robleme yo: heve, but + hone you Will blso understand mine, for unlike you, - heve no rescurces upon which to drow, not even th incone cor deyly lifing coste, ant dice exrect gou whuld be in oposition to ao vint you seid you woula inothine porsonal here). a you guggest, the will upply your " 25.00 cnec's on the books.

Berredata Brolley: yes, is is my talking to bim. George has olso be on
 he had filed the aujt a told his dud to get 9 copy of the prers for re bacause
 saked .sivin by phone. Shan I askec rt kevin. Wobody sant anm. 1 worked in the blind mhen Bradley wes he but I convinced hi + hs a total defense for you, told bic wis: it is, be yerees it ia not shly f fefense but right, ond rams prooer, un. Le suid we'd drop it. Unles it is mindstory thet you do sonething, ond I om not conpetent io edvise, not being lewyer, a arge you not to spend
 hin. I've cotton some tui ga ne wanta for kim nt aent themto him. If you son
 I'll sak tast of hin bad I thick ha'll 弓殳: bead ni do it. 3. do not kno the conclitions of hif lide, but te hateen soy for a whilognd moy ba bugy on bia return. He is alan going to sroz hio ction eg inat Tenn. io not rublicize
 "gent and would be absclutaly o. atain thare is somathing siuistar in wheling

 and $\theta$ priat if tae Dis, both of wifica us ins on wata and solls for lesa taan
 1 tell gou ore of what ine haplonat to tilie real'y fine person? 1 just leave Lime elone and gnore the neaty thinga he 606a bin agys. They wod back to ne, but i lso know this is not the $r$ al enn. he is now irration 1 . But do mot let legel requirements lepse. If they are clos, est him, toll hlm whot I heve told you, and ask ton to rnceed. If it is tiot z1-20, tell me wht your situation is and let ta honule it for you. I've no time for the deteils, but your hunch on the purposes is in part rigit but I believe it is incomplete. I think you should know sll thia nomaense originstes with tho se so axtroms they regerd bim es red end wes carefully menufactured end ied Ger:ison by e combinotion op Turner and Boxley, each beckstopping the other, ench witzout vestige of reeson. The totel of whet they msnufactured is beyond beliof end nons of this is for ony public use. If I bmever out there sgain I'll tell your smalleat group the story, but for no use, aver. Jool ialmor wes als\% in on it. fie fled New orlegns the dey after I questioned aim , ot his invitetion, with Fenctsrwold accomperyine mo ond soying nothing, Falmer rehused to let me tape it she when + invitod him to, far himeelf, he decline tust, too. Ey the way, If you knom hie current gadress, I'd like it, becsuse he aas e roll of filin he got from me he has steedfastly refused to return and if necessary I'll get a lawyer to ctt it.... I do not not anticipate any trip in the near future, ior I em so exusuated I cannot wake trips fust to help others enymore. - nave to have some income frow tw the Beerlife on this, have completed e quarter of a million word stucy on the King surder, gn? $I$ would hope thet when people know this, they will regard me as a the equal of those they pey to exound on the besuties of the pink-eyed pirhsanes of Feru, the more esoteric aspects of the fairies and needles poxar pailosophy ond ell the meny things so ottractive to psyine sudiences.

Bradley told ta he lesrned of George's problam through his own peraonel investigetion. I nave no otier inomledge. A must sey lor hin he was Bentlemenly in aie treetment of it end ve日 mithout rancor or bitterness in speskine of ony of you.

I apprectate your offer of publication of bits of ty work in the newsletter but thet is a futility st bost and an cpen invitation to othors to follow it ciomn ena misuge it, as it elso ia a bandicop in eny effort at commerciulization, so must decline. The time is fest for one-snots and minor senseticne to eccomplish snything meoningiul. Eroke ss I 8 m I've turned down an offar of $\$ 500$ for e egezine plece extraciod iroin it und on offer to considar concolidsting it in a aicelo ams 11 book. There sre other uses I project for sone of the more important neteriel. I cannot ge into them now. Some sre legal, some are in perennel doslings. 11sc, ny asperionct, fertups not dupifcated in your experience, ie thet we are carefully watched end "explanetiong" are contrived, th holif those in line whe ultimetely trey braste Ionse. The time hes come inr different epproaches, have iritioted smee, and with some surcess.

My interests in what Lifton bas becn up to are not personal. i heve never acne onytulng to burt him nil Wili not. The oppoeite is not and never Las been true, te iss couplex of brilliance, unsewupulousness, zeersuasiveness end ego. ${ }^{4}$. has done nucti herm, will do more, ana has, to date, accomplished no good for whet we sll seek. hich is the bitterneas of is life. ite is, in eddition, raving ined, zonetimes showine it, unyble to control. I soubt if you Lave seen ofo bhis nay, or deara ain. It is quite on experience. dd to thia bis wilineas and the fact taut he has slrendy undertsken projects that esmnot serve conetruetive purposes and were desicned for tha contrsry, and I thisk you can undmatand ruy deeire to thro a complete files of its libels und to be kept up with eny cnown to others. Ho is usuelly eerelill with those be tatilk may be in touch with mo.

Lene is unconseionable. $n$ hos lotened hinself to Worvison ase and Then the courge of honor roçuirat isin to bo divil's advocste he mes caurt jaster and sycophent, for the really numeroua and high lecture fees the got from it. There ate some areas in ta Nev ploens twonscripte whera the vorc is of the ereatest sienificence. They add a little to wiot - geve them that they used. The snowledge is not the gresten signiflcam it, for thet is of minor detefi, such as a name whan I didn't avo 1 . The real sisnificance is tiat this pronf I, iad elresdy dav loped and publi hed mas tatated in open court and survived it $100 \%$. It is almost oll in books I had already written and copyrighted in limited editbons. Georga nevar comunicstec. I ofiozed the loan of all. "o eht, I think one, and rever selij o ford. The other uile is tue inediute problem, the tiae Garriosn got und the axposure tha for borsestili and izreaponsioility, and it in attention tist otharyi se mouls have gono for serioas atulf. If you vonsider that just about all the exposure ouv ade has bsu for two years, more, has bean of him onl in terns of him, you begin to eee wat - yonn , de to this the serious and gdverse influence his legal Pailure imposed on uil of ua and what me seek and what you do not knom, that ha anula lisve cone che it in't, and you'll soe vay I call it a Ifssco. Whether he'11 hove locrnod for the futura I
 is n 人 doubt in my nin. of the sincerity of kis intentions. -is flop ia part of the raszon notiln eerious on our alde is publiajuble, for publivnors fear there is no accepteblifty left. Ais re-tlection is zreat auceess. I did wat 1 could to nelp, nich is Fery iittie, bu: I lia wiote e nujber or lectera ena believe 1 tad some influence in invobilizing opposition. "y livine for moock and Daser is not sufficient for to bracket them with Darror!.. It is not inne alone I reniember of your group. $t$ is just that aer face is prettier to me than that of men. Best regards to everyone-not only Diene,
