Director J. Edgar Hoover
Federal Bureau of Investigation
Washington, D.C.

Dear Director Hoover:

I am enclosing a paper of mine "A Study of Lee Harvey Oswald: Psychological Capability of Murder," which I think would be of some interest to you. It is the result of almost three years work and will be part of a book which will appear later.

Since so much has been written about Oswald, I thought that my study might serve a useful purpose. In case any of your representatives or yourself would like to talk with me about this matter, I shall, of course, be glad to do so.

Sincerely yours,

David Abrahamson, M.D.
