SUBJ: ~~HOBBS, Eugene J., EIC, USN, incident report of~~

at 1240 this date, HOBBS, who serves as a hospital corpsman in the USS STONE COUNTY (LST-1141) (San Diego-based) visited the Pearl Harbor Branch office to report information which he thought might be of interest to us, as follows:

HOBBS was stationed at the dispensary at Atsugi Japan NAS from 1956 to Dec 1957 or Jan 1958. According to a "Life" magazine story printed recently, Lee Harvey OSWALD, alleged assassin of our late President, was also stationed there at the same time. The magazine continued that OSWALD visited Russia in 1959. Atsugi is a "closed" base, and at the time, was the base for the Joint Technical Advisory Group, which maintained and flew ^{RE} U-2 flights. HOBBS noted that one year after OSWALD visited Russia, J.F. POWERS was captured. Lee Harvey Oswald's knowledge of U-2 flights over Russia
HOBBS stated that it was gossip around the base that the U-2s were taking recon flights over Russia. Sometime during 1957, a Naval Commander came into the dispensary and talked to some of the EIC's at the Master-at-Arms shack. HOBBS was there too. The Commander stated that he wanted an EIC to volunteer to join a group he was commanding which will be stationed in Bangkok and will make recon flights over China. One of the EIC's, name unknown, a short, blond headed Chief, eventually went with the unit to Bangkok and was there three months. The Commander stated that the flights would be the same as the ones the U-2s are making over Russia.

Since it was common knowledge around the base that the U-2s were being utilized for recon flights, HOBBS now believes that OSWALD could have given that information to Russia.

STONE COUNTY WILL BE in this area for approximately two more months.

1. In response to reference (a), the Office of Naval Intelligence's complete file on Lee Harvey OSWALD is transmitted herewith. Attention is invited to the fact that the bulk of this file is comprised of reports from other agencies, copies of which the President's Commission undoubtedly has already.

2. Reference (a) indicated that the Commission's interest in ONI material has been aroused by reference in OSWALD's Marine Corps personnel file to two DIO-9ND confidential serials, i.e., 02049-E of 8 June 1960 and 02295-E of 27 June 1960. It will be noted in TAB A of the ONI file that Department of Defense General Counsel, Mr. McNaughton, was interested in these two serials last November and that it was ascertained that the serials were merely letters of transmittal.

3. It is hoped, however, that the file transmitted herewith will prove of some assistance to the Commission.

4. Return of enclosure (1) is requested when it has served its purpose.

1. After you left the office, Mrs. Jane Roman called on X 41626. Mr. Gorham had also left, so I answered the phone. Her problem or rather request concerns the OSWALD case. Specifically, CIA desires to provide the Warren Commission with the data which they have in package form. They desire to include the Navy (ONI) documents which are listed on the attached scratch pad sheets, and asked me to please convey their request to the cognizant people. Naturally my mind turned to the OSWALD analyst, none other than yourself. Mrs. ROMAN asked for an answer by Thursday P.M., 27 February 1964.

Honorable John T. McLaughton
General Counsel of the Department of Defense
Washington, 25, D. C.

Dear Mr. McLaughton:

The copy of the military records of Lee Harvey Oswald, which you sent to this Commission on January 15, 1964, does not appear to include any record of inquiry into his case by the Office of Naval Intelligence. However, the Commission is advised that the Office of Naval Intelligence did inquire into Mr. Oswald's conduct upon his discharge from the USMC and his subsequent trip to the Soviet Union.

The Commission would appreciate being furnished two copies of all materials concerning Lee Harvey Oswald in the files of the Office of Naval Intelligence and any additional information on Mr. Oswald in the files of any other department, agency, office, or organization, under the jurisdiction of the Department of Defense.

I will be happy to discuss with you any question of security which may arise in connection with this request.

Thank you for your assistance in this matter.

Sincerely,

SIGNED

MEMORANDUM TO THE FILES

From: Special Agent M.S. BLISS, ONI

Subj:

1. On the afternoon of 23 November 1963, information was received via network TV coverage re the assassination of the late President that one [redacted] was being questioned as a suspect in connection with that assassination.
2. The undersigned and Special Agent F.D. DRAPER, ONI, caused a review of F5 files to be made which resulted in recovery of four files on persons with names similar to that of Subject. Each file contained varying degrees of subversive information relative to the subject thereof. This was made known to LTJG A. PELL, USNR, the 921 duty officer, and it was suggested that the SRA in Dallas, Texas, be contacted for identification of Subject in order that an accurate file check be made.
3. PELL obtained authorization for such contact, and subsequently the undersigned conferred with S/A A.C. SULLIVAN, ONI, SRA-Dallas, requesting the information. SULLIVAN shortly thereafter returned the call, identified Subject as [redacted] and said he formerly served in the U.S. Navy from 2-22-43 to 1-5-46, service [redacted]. He stated that contact with the ASAC of the FBI, Dallas, Texas, office had disclosed that Subject was not a suspect but was being questioned regarding peripheral matters.
4. Review of the files, on the basis of birth data provided, disclosed that the subjects of none were apparently identical with the subject being questioned at Dallas. No further action taken.
5. That evening, the undersigned learned via network TV that subversive information was alleged to exist regarding Subject. In view of the fact that S/A SULLIVAN had provided information indicating that Subject had been in the U.S. Navy, the undersigned called LTJG PELL and suggested a recheck of ONI (F5) files. The results of that check, if any, are unknown to the undersigned.

Marina Still Held By FBI; Lane Hired By Oswald Mother

By GEORGE MORRIS

AFTER SEVEN WEEKS under protective custody and enforced isolation from any persons but Secret Service, FBI agents and her "business manager," Lee Harvey Oswald's widow, Marina, is ready to appear as the star witness against her husband later this month when called before the Warren Commission probing the assassination of President Kennedy.

The announcement came not from Marina Oswald but from Jim Martin, her mysterious "business manager," who appeared on the scene by recommendation of the Secret Service.

Meanwhile Mrs. Marguerite Oswald, mother of the slain accused killer, announced she had engaged Mark Lane to defend her son before the Warren Commission. Confirming the announcement, Lane said he would serve without pay.

Martin has in the past week blossomed out with daily statements on behalf of Marina, declaring, as reported by the N.Y. Times Dallas correspondent, Jack Lunguth, that even if a jury found Oswald innocent "her opinion would be unchanged."

Moreover, she insists that Oswald fired on Gen. Edwin Walker last April, although ballistic tests in Washington disproved that theory. And Martin added that Marina will remain in seclusion under Secret Service and FBI guard until the Warren Committee makes its report. Lee Rankin, counsel of the Warren Committee, indicated that the probe may take as long as six months.

★ EVERY EFFORT to interview Mrs. Oswald — by the Dallas Civil Liberties Union, by former N.Y. Assemblyman Mark Lane who went to Dallas, and by the N.Y. Times — were rejected by Martin, presumably in her behalf.

She also refuses to see her mother-in-law, Mrs. Marguerite Oswald, and Ruth Paine, the woman who took her into her home in Irving Tex., and cared for her when she gave birth

while Lee Oswald was living in Dallas.

Why is Marina Oswald held incommunicado? We have asked this question repeatedly since Dec. 17. Is it because what she had to tell could prove embarrassing to the FBI, Secret Service and Dallas police, who so miserably neglected protection for the President? Does she have evidence that could implicate others and thereby refute the FBI's and Dallas police conclusions that Oswald was guilty and alone? Does she have evidence to back the mounting material pointing to a link between Oswald and U.S. undercover agencies? (See the photo-stats on pages 6 and 7.)

It now appears that Marina Oswald is even overeager to give the testimony the FBI and Secret Service want. She promises to scream her husband is guilty even if a probe acquits him. For good measure, she will even say Lee Oswald shot at Walker. So said Jim Martin to the New York Times.

This extra-zeal on the part of Mrs. Marina Oswald to oblige the FBI and Secret Service is matched only by the crudeness of the entire arrangement to isolate her — a crudeness that wouldn't be acceptable for a grade-B movie.

And if the Warren Commission takes her story at its face value without a real effort to get the full truth out of her, the entire affair will be reduced to a farce unmatched in history.

In that respect, of serious concern to all who lay hope on a full and uninfluenced investigation by the Warren Commission, is the announcement by Rankin that the plan is to rely on the regular investigatory instruments of the government (like the FBI, Secret Service and CIA) and that there is to be no provision for defense of Oswald as had been suggested by prominent attorneys, among them Percy Foreman of Houston, head of the Defense Attorneys Association of America.

Mr. Lane offered to undertake such defense, but only received

a promise that his brief, raising many doubts on the evidence against Oswald, will be taken into consideration.

★

THERE WILL be no attorney in defense of Oswald in the Warren hearings who could possibly cross-examine witnesses of the Dallas Police, FBI and Secret Service. The question is not only whether Oswald as an individual was guilty. As Percy Foreman stated over a TV program, it is a matter of concern to all Americans to get at the truth in the manner provided in court procedures.

The overwhelming majority of Americans, as the polls indicated, were sorry for the murder of Oswald not so much for his individual right to have a trial, as because of their belief that in a trial more of the truth would come out. Large numbers were even doubtful of his guilt, and even larger numbers doubted the FBI and Dallas Police conclusion that he was alone.

Numerous questions remain unanswered. Was Oswald an undercover agent for the CIA or the FBI that sought to recruit him? Much evidence has appeared to support that contention. If that is proven, it would still not prove Oswald guilty or alone in the crime. There has been much competent opinion, and especially from European newsmen who were on the scene, that the assassination was well planned and not the deed of amateurs.

Where would the planners look for a "fall guy" if not through their notoriously numerous contacts in the FBI, secret service and Dallas police and their stables of paid informers and provocateurs? Is it not well known that the rash of ultra-rightist organizations, some like the Minutemen who boast they bear arms, even machineguns, and the Birchites, Rockwell's Nazi Party and the Nationalist Party, have a relatively higher percentage of support among military and police forces than among other sections of the population. Many of them have top military men in leadership.

Oswald may have been an undercover agent for the U.S. and not necessarily guilty, or even fully aware of the plans. He may have been used like the drugged and witless Van Der

Lube who was used by Hitlerites to set the Reichstag on fire in 1933, and then labeled a Dutch Communist.

By the same token, men in the FBI, CIA or Dallas police apparatus could have been involved in the conspiracy, but without the knowledge of the authorities of their organizations.

There were a number of such possibilities and it appears that the Warren Commission is looking into them. The Wall Street Journal of January 10 says in its report from Washington that the Warren commission "asks federal agencies to comb their files for any mention of Lee Oswald or Jack Ruby. Even the Securities and Exchange Commission gets the word."

Unless the Warren Commission does get at the bottom of the plot to kill Kennedy the "Next" project, as suggested in "The Rockwell Report" (see photostate on page 6) may be attempted.

★

THE CYNICISM surrounding the seclusion of Marina Oswald was well shown in a letter in Russian, said to be the only direct word from her, in which she rejected an effort by the Dallas Civil Liberties Union to interview her to determine whether her rights are respected. She replied that she is fully satisfied.

She wrote: "I don't think you have anything to worry about. What you read in the newspapers — everything is correct. I don't object to the Secret Service. I am only grateful for their time."

She will see people "when I am ready," continued her letter, adding "I also give much time to visits with the FBI."

She concluded: "I repeat, I am in as good a position as one can expect me to be after what has happened."

Jim Martin, who knows no Russian, certainly thinks she is in a "good position." With the fund for her from unrevealed sources already above \$30,000, he figures it may yield her as much as \$1,500 annually plus the \$126 monthly social security.

Sue Dallas Police or Jack Ruby for the death of her husband? Marina Oswald will do no such thing, Martin told the Times.

"She has this feeling that her husband killed the President," said Martin. "When the law suits are proposed to her she says let sleeping dogs lie."

"That's not her expression. She hadn't learned that much

English yet," Martin hastened to explain. "But she's convinced he is guilty even though she cared for him."

According to the N. Y. Times, Marina Oswald went so far as to tell Martin "she has no ill will towards anyone including her husband's slayer Jack Ruby."

★

MARINA OSWALD'S situation is quite understandable. At 22 and still unable to speak English, she is the mother of a two-year old and two-month old child. When the assassination occurred, the Secret Service and FBI secretly lodged them in a motel Jim Martin managed. It was there, on the advice of the Secret Service, that she picked Martin as "business advisor." He immediately picked a lawyer for her and everything has been well in hand since.

With Oswald in his grave and Mrs. Oswald "in as good a position as one can expect" there is only the question of Jack Ruby's "rights." And it seems that a champion for those rights has come forward in the person of Robert Morris, former chief counsel for the Senate's Eastland Committee on Internal Security, who is running for the U.S. Senate in Texas.

With anti-communism his platform, this ultra-right candidate now fears for Jack Ruby's rights because Chief Justice Earl Warren is head of the commission probing the assassination. If Ruby is convicted and appeals, says Morris, lawyers could "justifiably" claim that Warren "would influence the other eight justices."

In California, meanwhile, the Kennedy assassination led to an announcement by Attorney General Mosk that he will sponsor a law banning the Minutemen and other private military arm-bearing groups. Robert DePugh of Norbonne, Mo., who heads the Minutemen, brags 29,000 members nationally. Troy Houghton, California coordinator, says the outfit has 3,000 members in that state. But he says a state law wouldn't affect them because they each carry arms "as individuals" and it would be unconstitutional to bar them from owning weapons for "their own protection," from "communism."

The members of these groups are paranoid in their fear of Communism, in their distrust of American institutions and in their desire to possess all varieties of firearms from pistols to machine guns," said Mosk of California's stormtroopers.

Mrs. Oswald Picks New York Lawyer To Defend Her Son

FORT WORTH, Jan. 14
(UPI)—The mother of Lee H.

Oswald, announced today she had retained a lawyer to defend her son before the Presidential Commission investigating President Kennedy's assassination.

"Appealing for people to come forward and help prove that my son is not guilty," Mrs. Marguerite Oswald said. Mark Lane of New York had agreed to represent her son.

Mrs. Oswald, a 56-year-old practical nurse, said Mr. Lane visited her home here last weekend and told her not to worry about a fee.

She said she was living on contributions from "people who are interested in justice" and \$863 she had collected on an insurance policy on her son.

Speaking to newsmen in her home, Mrs. Oswald said:

"I know there are many people who may have information about this case—people who can help prove that my son is not guilty. I pray that anyone who has information or who wanted to help will write to Mr. Lane or contact me."

Mrs. Oswald said again that she planned to write a book about her son, who was shot and killed two days after the assassination by Jack Ruby, a Dallas night-club operator.

Mrs. Oswald said she had not seen her son's widow, Marina, who has remained in seclusion under Secret Service protection since the assassination.

She said a Secret Service man called last night and asked if she would like to talk to her daughter-in-law on the phone.

"I gave him a message for my

daughter-in-law, but I haven't heard from her," Mrs. Oswald said.

Confirmed by Lane

Mr. Lane confirmed here yesterday that he had accepted Mrs. Oswald's offer to serve as attorney without fee for her son.

Rankin's Position

Special to The New York Times

WASHINGTON, Jan. 12—J. Lee Rankin, counsel of the Warren Commission, has said the group had no intention of appointing a lawyer to act in Oswald's behalf. "The commission is not engaged in determining the guilt of anybody," Mr. Rankin said over the weekend.

It was noted here that it would be up to the commission to decide later whether it wanted to hear from Mr. Lane during the inquiry.
