

FBI Interest In Oswald  
SA Milton Kaack

Harold Weisberg  
5/27/69

Re-examination of CD12: 1-3 discloses what I do not recall from earlier examination. This report is dated 10/31/63, prior to the assassination.

The FBI was then satisfied he had left N.O. 9/25/63, for Texas.

The N.O. FBI office had the "identification record" from hq under date of or by September 5, 1963. Of course, this could have been triggered by the Wasp incident, but it was before he got arrested.

The reflection of Oswald's ended employment by the Reilly Coffee Co. is not that he was fired but that Oswald himself "terminated his employment".

If Oswald left N.O. 9/25, it would seem that some explanation is required for his having "sent" his forwarding address "on September 26", the next day, when he was en route somewhere or had gotten there.

The Garners knew of FBI interest in LHO by August 5, when Mrs. G was interviewed. She knew of their continuing interest when she was interviewed October 1, which should have fixed things about him and Marina in her mind.

It is clear that the reason the Oswald's left New Orleans was known to the government. It is consistent with the "Marina-Paine correspondence and was simply for childbirth, where Marina could communicate with someone.

Unless a new file was at the time of this report established, or had been August 5, the earliest other date of interest disclosed in this report, the designation under "Character" seems strange, for it includes "Cuba". The original Oswald file, from the time of his defection, could not, ordinarily and from what is known, have included "Cuba". Here it is "INTERNAL SECURITY-R-CUBA".

When Kaack says "subject admitted being a Marxist in radio broadcast" and doesn't say "tape enclosed", I think he is actually saying or acknowledging the tape had earlier been obtained. If the FBI had it, there is no indication in the WC material. I am inclined to think they had it. It is the kind of thing they'd want and would get. Especially because they had an ongoing investigation, NO T-1 having reported 7/23 of his box rental and NO T-2 having "advised on June 26" of Oswald's June 10 letter to the Worker. If NO T-2 is a New Orleans source, this means the FBI had a watch (or some agency did) on Oswald not less than six days prior to the Wasp picketing.

All of this makes even more interesting the absence of any affidavit saying he had no connection with LHO by Kaack.

Mrs. GARNER advised on October 1, 1963, that the subject and his wife vacated their apartment on September 25, 1963. She said that Mrs. OSWALD and the child departed in a station wagon bearing Texas license plates and driven by the same woman who brought Mrs. OSWALD to New Orleans from Texas. Mrs. GARNER said that LEE OSWALD told her that his wife was going to have a baby and that she was going to Texas for her confinement. Mrs. CHARLES F. MURRET, 757 French Street, New Orleans, Louisiana, advised on October 1, 1963, that she was LEE OSWALD's aunt and that when the subject's wife originally came to New Orleans a woman driving a station wagon brought her and the child from Texas.
