MEMORANDUM

Int. Cir.

TO:

Joseph A. Ball and David Berlin
of United States Attorney's Office
Dallas, Texas

FROM:

Harvey Kallish

I hope that while you are in Dallas you check Oswald's
room at 1063 S. Haskell to determine whether certain rods
were noted and, if they were, whether Oswald had any
conversations with either Mrs. Johnson or Mrs. Roberts.
I have been reading a document entitled "Oswald, the
Impossible Assassin" by a French author who apparently
visited Oswald's room and makes quite a point of the
need for curtains in that particular room.
