Dear Harold,

Thanks for sending the documents.  
It's possible I forgot to enclose the  
check. In any event, it's just as  
well as the sum of the check  
was not sufficient to cover your  
expenses. (I didn't remember clipping  
so many of them)

I counted 50 pages. My memory  
is it costs you about .07 a page  
You added some extra postage, so  
\$5.00 seems right.

Kevin has just filed the appellate brief in my suit for CD 347. I hope we at least get a dissent.

Kevin is still looking for the things you need. If any progress is made, Kevin and I will certainly let you know.

Best regards,  
Mark
