Dear Harald,

Congratulations on the publication of your new book. Naturally, I am ordering a copy. I am also sending you the money for an order for Paul Hoch, who requested I get him a copy as soon as possible.

When I talked with Jim Sesar he did not indicate if there were any extra postage charges. If so, please indicate when you send the book and I will promptly reimburse you.

I am presently studying in detail Oswald's movements Sept 23-26, with emphasis on the Sylvia Odio case. I am preparing a paper on the subject and will send it to you when I complete it.
