Leor is. Fearson,
$I_{t}$ is probobly a firther exercise in futility and an aditionsl
Westa of tino onl money, but hers is a cony of Chy third pert of my
sudy ol tha arren com isnion wai the gsmasstristion.
eapite your joumaliztic myoni on this subject, I send it to aschenge my responsibility to make man work avilable and in the hope, no mitter how faint, that you will asoune yours. I believe thet no President mey be consigred to history fith the dubious ovitsph of a Cake inquest without jeopardy to that and oll our other instit tions and sny incumbent.

Not 3 sincle one of those who protend to eradeze the vorice ci those they call "the critics" has alleged a factual eroor by me. this is mot to claim infal ibility. It is to sey that with the half-miliion zords I have alregiy tubliohed, thic is no mean scconolishinent, especially on a subject like this.

The abdications of those upon whom we depend in our society are a sorry thing. So is the kind of "friendship" the lete President had witi so many wniters. He ceftoinly needed no enomies rith auch "friends".

If Jou are to busy to row the a book, get some intellipent teen-ager to -jence ot it and its documentation fon Jcu and Ioern how the government Eusronteed there would bo no photocravic arohive to the nonesingtion and that those picturesthat coull pose101y be suppzasod mould be, nne hom those abused.
 fllm presented by 3.1 c . 0 ver, an reak his own lescription of the picture, showing the elimination of the motorcade from a picture ot, wons many

Othen thinge, that sixth-fioor wirchan at tha rownt of the sseassingtion. It has no usweld, no riple, in it.

Your colum oi $7 / 31$, captioned "J. Ecgar to ver's arip oi Iront, reminds me to ask you if he could have some perticular weason for Wanting to heng on so, to keep control a while longer, wen the record of his FBI is so shameful in the investigetion of the assassination. You will not be lone getting more chapters and additional verses on this. I heve atcank dready sent you more than you normelly would need in the two previous books.

If I may preaict sonething to come: if you do not intareat yourself In this, in some independent way, not influenced by nomal and involved sourees, yoi will so $n$ rogret 1 . The twath 1 t that bad, that plagrant, and that Foll doumented. Tithin tho month I shoula bo able to ased pou my
 whitewasih. I will have in it 300 pages of photographic reproduction of once-searet documents.

It is dificult for me to understand how a shavr man like you could Get conned into personal publicity for ${ }^{\text {din }}$ Bi chop, who never intendod s sevious sorious voric on tho abeassination itselp and who in not eapeble of it, tile 1enority the flocrant efionts to supprese all eround you.

Sincorely yours,

Harold Teisborg
