

Dean Andrews, about 8/31/68

FBI and about 2,000 pictures to show him, more than anybody else.
Cuban pictures.

Although earlier he told me C had been to his office but five times in
all, now he said he ran him out of the office 24 hours a day. This trip
was full of lies, I'm saying he knew nothing of ESRF when last time he told
me that is where Danister's files ended.
