Dear Lila,

Thanks for the wedding picture. As Lil said, you were a beautiful bride. And looked like a happy one. Wonderful, as is the coming addition. Congratulations!

I hope Bill is handy around the house because your schedule looks pretty full without motherhood!

We are doing about as well as we can expect, thanks.

My body feels the years more but I've been able to write.

A book is scheduled for commercial publication in April or May and another in September.

Both are pretty large, too.

Lotsa words!

We had a visit from Floyd about a month ago. He came up to take in two football games, Maryland the Redskins.

He is working in a post office in or near Tampa and has loved it for years.

Not a word from or about any of the others.

Except that Mark Allen has taken over from me in using FOIA, Jim is his attorney, too, and they are doing very well.

Oh, yes, Scott. He is big time now. Even a couple of I think Emmys.

A bit of news: Hood awarded us both honorary doctorates in humane letters this past August. And they did it very, very well. A number of friends came for it, along with some family.

Lil joins me in wishing you the best, plural you.

Love,

Lila's Annualmt

Dear Harold & Lil

Remembering you  
with warm wishes

for happiness at this wonderful season.

I hope you are doing well  
Bill and I are fine. We're expecting  
a baby in July and we are very  
excited. I'm still working in the  
hospital and in my private practice.  
Otherwise they are quiet in Boston.  
I've enclosed a wedding photo  
We didn't have any last Christmas.

Take  
care

John & Bill
