

Letter 2

Dec 19, 1967.

Dear Mr. W. C. C. :

I sent you a letter today in connection with the Kennedy assassination taking into view the possible thought of the Cross Motion involved in this. I would like to elaborate further on the type article - from a governor (Mc Kitter, La) and a D.C. (Jim Garrison) in open to resign - Page 34-35. Dept. 29, 1967. Concerning Mc Kitter and Garrison I have shown to Carlos M. ...

Lieutenant Major Maurice -

deny this. I am all on the
Garrison's side. I think the
is doing a wonderful service
to the U.S. citizens in trying
to get to the truth of what
President Kennedy thought
