Dear Mr. Brown:

I have nothing to add to the letter written by Mr. M. W. Stevenson on January 30, 1968 and directed to you in reference to your request for information pertaining to the assassination of President Kennedy.

Very truly yours,

Chas. Datchelor

Dear Sir:

In December of 1967, I wrote to you to request information about several suspects associated with the Kennedy assassination of 22 November 1963. The reply to that letter is enclosed.

Since receiving your reply, I have visited the National Archives and had interviews with employees of both the Department of Justice and the Federal Bureau of Investigation. Neither of these agencies had any further information and a representative of the F.B.I. informed me that his Bureau did not follow up on the investigations which were conducted by your police department. Also, there is no material on file in the National Archives which concerns these suspects.

It is not my intention or wish to embarrass any innocent individuals through my inquiry. However, having seen photographs of some of these people while in custody, I thought it rather strange that there weren't any published reports other than the limited information available in the radio-logs. Could you furnish me with any further information concerning these suspects?

Very truly yours,

Emory L. Brown, Jr.

Dear Mr. Weisberg:

As suggested in your letter of April 30, I wrote to the National Archives to request any information that they may have regarding any and all arrest made in connection with or at the time of the assassination. I have enclosed copies of the correspondence relevant to that matter, which are in my possession at this time.

Perhaps you read the article in the June 29 issue of Ramparts magazine entitled "Some Disturbing Parallels" by William W. Turner. If not, I think you might find it interesting particularly with regards to the photographs showing one of the three men apprehended behind the knoll area.

On July 22, I will be leaving for Washington where I plan to spend my vacation this year and also do a little work in the National Archives. Possibly I may have an opportunity to see you while I am there.

Sincerely,

Emory L Brown Jr.

Dear Sir:

I have been advised by both the Federal Bureau of Investigation and the Office of the Attorney General, to contact you in regard to the following matter.

I would like to know of the existence of any other Dallas Police Department radio transmission transcripts in your files, other than those appearing in the printed volumes of the "Warren Report". Those which are represented in the Report, are designated as, CE-1974 vol. XXIII, CE-705 vol XX and Sawyer exhibits A and B vol. XXI. If no other transcripts are in evidence, would you please confirm it and if there are, I would like to receive photo copies of them.

Also, I would like to know about any data in your files regarding arrests made in connection with or at the time of the assassination. If such data is in evidence, I would appreciate photo copies of those documents.

Since it is impossible for me to visit the Archives at this time, I would be most grateful for your assistance in locating the requested material. I shall of course, be glad to pay the cost for making any copies of documents relating to my request.

Sincerely yours,

Emory L. Brown, Jr.

Dear Sir:

This is in reference to your postal card (GSA 148) acknowledging the receipt of my May 8, 1968 letter.

Your card mentioned as the subject of my letter, Dallas Police Department radio transmission transcriptions. I had also requested information concerning arrest made in connection with or at the time of the assassination. Material published in the Warren Report, particularly CE-1974 indicates that several persons were arrested in Dallas on the day of the assassination, but there is nothing to indicate who these people were, or what happened to them. Furthermore, I can not find any evidence that these individuals were "booked" by the Dallas Police Department.

If in your search you can locate any documents dealing with these arrest, I would be very appreciative for photo-copies of them.

Sincerely yours,

Emory L. Brown, Jr.
