Dear Mr. Yardley,

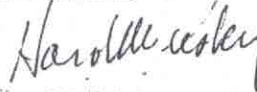

Perhaps this letter to Hentoff that I've asked Rosenfeld to forward will interest you.

C & G's Livingstone is a Baltimorean, 5025 Bell Ave., 21218, 243-4272.

I understand that his first royalty payment on his High Treason 2 was close to \$200,000. I do not know this to be a fact.

My source was a friend of his.

Best wishes,

Harold Weisberg
