

ASK recently received word that the **Assassination Records Review Board** will hold a Public Hearing in Dallas on Friday, November 18th at the Earle Cabell Federal Bldg., 1100 Commerce St., Rm. 7A23 beginning at 10am, and expected to end mid-afternoon. The Review Board's mandate is two-fold: (1) to identify all records relating to the assassination of John F. Kennedy; and (2) to review postponed records and information for public release.

The Review Board is interested in hearing from researchers and citizens as to the location and content of documents relevant to the assassination, especially those in private hands, or in unlikely areas of the government. They request that statements be provided in writing by November 9th from those who wish to address the Board, and should identify the records and explain their relevance to the assassination. The address to which these should be sent is: 600 E St. N.W., Ste. 208, Washington, DC. The phone number is 202/724-0088.

To facilitate ASK registrants' attendance at the Hearing, we have re-arranged our schedule, consolidating programming to make room for this important event. ASK '94 registrants have been sent the revised schedule of events. To receive the full program and a registration form, please fax our office at 512/451-0754 or call 512/467-7979.
