Dear Mr. Goldberg,

I have received the additional print of the Altgens photo, your R61910. Like the previous one, it seems to be less than the complete negative, which is what I want and have from the beginning wanted.

The dimensions of this print are approximately 6x9". I am not aware of any ordinary negative with these dimensions.

Also, this one, which I can return to you if you so desire, is badly scratched or otherwise marked.

While I cannot with assurance tell you what seems to be missing from this print, I believe it is the top portion, whether or not the sides and bottom are complete.

I really would like an entire and unretouched print, please.

Thanks you.

Sincerely,

Harold Weisberg
