Dear Steve,

Thanks for your card, the check and the media guide, which I've skimmed and Lil will use when she takes those games in.

I take it from your asking if we'd like to attend the July game that the baseball promotion is not desired. That is probably better for us, too. So yes, we would like very much to attend that July game, Saturday the sixth, 1 p.m.

If it is not too much of a problem for you.

You may not remember two years back when we were to have gone to the game that did not happen because of the strike. Lil cannot tolerate the loud noise of the ball-park so we'd have to be inside. Her ears can't take it. And that would be better for me because any contact causes a hemorrhage, subcutaneous, and some take the upper layer of skin off.

I hope each team provides the other with space in the sky boxes and that an elevator leads to when with not many steps or inclines because they give each of us trouble.

If there are such accommodations we'd like very much to be there and to see you there is your duties do not tie you up.

I've asked a friend to send you a copy of a paper he and another sociologist friend of mine delivered last year. It may interest you. They plan to expand it into a book, which I've encouraged them to do.

He is Dr. Dennis MacDonald, of St. Anselm College, Manchester, NH. A fine man, too.

Many thanks and out best,

Paul

We would be four, Lil her cousins Ray and "oldie" Burdette and me.

Jean Harold and Lil -

Thank you for the visit when I was with the Red Sox in Baltimore. It was good to see you both.

I have enclosed a check for the books, as well as a copy of our Media Guide so Lil can follow the Sox.

My best to you both. Let me know if you wish to attend a game in July.

Best -
Steve Aurant
