Sear Mas. Yolley,
Dre Rhogds hws forvarded your letter of the 3rdend ite enclosurea. Although thisis in sherp contradiction to the existing record, i do eseure you I witcone thid, on grataful for it end want wory nuch to believe it marks a ghl ft to ober and proper policy. I hops you will reviet the earlier file and correct any other errore.
zome questions reniln. I write in an effort to get tae snskere.
You say "we do net heve" coples of the two recsipte of $11 / 22 / 63$ (one wey be $11 / 23 / 03$ ) for the aheet, drapes snd shroud and for the photographic meterials. - bellove theas pepers were directed to you. Ben you obtein copies for me from lhomever you geve tham to, or can you direct me to them These receipta certainly wuet exist oithin the government.

Past of the certifieste of leath is illegible. Age the worde after "1amediste cause" "OuF ehot of Broin"? ifter 2ze, whst is the algacture?

Rether then " letter from Ceptain Stover "eoncerning low and reguletions ragerding the conflacntinl neture of ths events" there is an nasdirensed memorendua from hire wheh desis with neither. I cen understind thet under the ofraenetances the lagusge wh heve bean inpreciso, but I sm seting is this semo the letter referred to or is there somethine elset

The poivives cannot identify for me the "miallo" for wisich the YBI ageate aligned a recolpt, They sugseat US845, waich io not a single object but sems to be net fews than three tiay frageonte tiae largest of watem would hardly bo asiled a "mingolb". Yet thore is the recelpt for but one object. an you identify this "mizale" for ne in the avicence ent do you rnor of sny other oimiler receipts, includín for was the 1868 panel roport deacribes sa a "rectengulal structure"?
the $11 / 29 /$ SZ lettar to 14 min 1 Burkley from Dr. Ceap Clark tes
 Gan poll till me ohy, if gea rnow, and the souree of whist wea substituted in the
 Misnion, if you know

Existing offlcial secounts of the photogr phic matariela re inoonsistent and couradictory. This ia one of the peasons i seek the recelrt for them. deve you eny lith or tiobulation of tuam and cen gou ec:ount for the reported demages?

Sincersly,
insrola iteiaberg
