Mr. Jarl W. Belcher, Chief General Trimes Jection Department of Justice Washington, D.J. 20550

Dear Mr. Belcher,

Although I have no reason to assume that Dr. Bhoads writes me without consultation with your department, I enclose herewith his latter dated april 4, which reached me after I last wrote you, together with a copy of my reply.

I regret the carbon of my letter is so difficult to read.

I do hope you will have the time to read these carefully and to think about their contents.

Mesnahile, I slso call to your attention the fact that there are questions I asked before you first wrote me to which your department has not yet responded.

If you examine the file left by Mr. Vinson, you will elso see there is further communication he promised that " have not yet received.

Since "ely.
