I shere your high opinion of ir. ise basedxon his record. 1 have given his bonk on the CRA ride sttention in numproua madio and TT broescaets and
 hes notintif to do with tis pertorbace in this enge.
 a hunt of wht it concilars the atory. "ais is a anbjet lise no other. In ench cass you cone up th " lass then areurate piece on a subj ct the vo thi inveriably i sentuet the notional intereat, lioe kon nothine ebout the aiufcct motter. botrasy apperr to en arperienced report to be the
 at 'ebs or tifi aubject to seyone who can preperly be degcribec as "exparienced p nple" becsase there are none comsercisly avalioble. Your piece mos not bc:urste because there wae no woy for you to mave it occurst. Iouxgan buy braina in fou: buoiness, intelligence, oiton people. gat not knowledes.

Syentually, aftaz muel more hurt thers there need be none if gour intentiona aIz honoreblo, ycu aro gotnc to leosn thathothere aro vory faw Eezuina axports in thia field, that those hisheat to ted aro not. Thet "ise did wos remarkably unjust basides from being srong and it boilad bown to propagenda. Instad of onsurine the latter I wrots bis $\mathrm{I}_{\text {s. }}$. Eshmer retired, very uiotly, as head of the Avolytwo. 1 we mi ssed a much big er story that i. Also a trus story. He ond you wers used. Your piece wes propegende, there his roctutation and pravious whitinz mere exploited (not receggerily by you).

Aa you ahould now, 1 have gone to some troble to help the post for no income or profit of ony kind. hot $I$ seals is the trutin, ond shen you ysa your vact circulation and the mitentiva gou een get for sycophantic writing 70u write a folsa netionsl history. I sesk the truth, nothine else. rou alizazt slmeys manoge to write ani publish soze thing else.

I would apprecite it if you woula refer my question to ir. 130. $Y_{0}$ cen tol the the closing dsto of that isare and the dete jou recelved tho stury. I would lise to kow thege thinge. "y purpoes is the establishmont git an bi-torfablly accurate resord. Superficialiy, the indications are thet Wir. 13: was given this netsrial in adrence of the data of alieged declaselfiJation. I ked acrlior requested sone of tia motesial ond bad besn denied it. thi is a foicly regular oveurrence, despits denisla. hot i so k is witheld until somecne not ecuipped to unierat ne it metes the sane request, hanx it
