TO : SAC, DALLAS (89-43) (03-40461)

DATE: 7/17/64

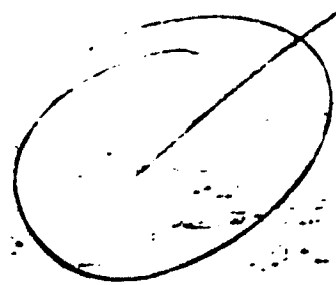

FROM : INSPECTOR J. R. MALLEY

SUBJECT: ASSASSINATION OF  
PRESIDENT JOHN F. KENNEDY

Re the teletype that came into the Bureau last night, which also came to Dallas, showing interview with Life magazine personnel.

Inspector MALLEY desired to know whether PAULA AYNESWORTH is the reporter's wife, sister, or who. He thought we ought to possibly run a check on her to get brief background and any other check we feel desirable under the circumstances. We might also give consideration to interviewing her. If she says to talk to her husband, then forget it. But we should make an attempt to talk to her. However, there may be some reason we should not interview her, that the Bureau does not know about.
