

6/29/69

Dear Dick,

It is not because he held it up that I didn't respond earlier to your 6/18 to Gary and me. He subscribed also and sent the copy to me. I found in it two things I'll use in my own way, their mention (limited and without reference to NSRP) of Stoner and their repeating of the Hoover, villification of King. It would be interesting to get the paper, but I haven't time to really read it and they'd never send a subscription to me. There may, from time to time, be things you or Gary may think I'd like to have and I'd welcome them, but I caution you this can slowly grow into an expense.

I have a good file of their earlier stories on the assassination, but the Garrison office just doesn't return them or respond.

I was away for a few days. I had Lil phone Tom, who told her he had sent you the pix and John the affidavit. I hope all is now right. I asked him to register or insure and presume he did.

I hesitate to ask you to send Councillor because of possibility it might get lost or damaged. Perhaps asking for only those you think might be of special interest, if not copies of those things?

Thanks, especially because those who had been watching it have said nothing.

I've returned to COUP and have roughed about 15,000 words. I'm surprised that, with the interruptions and guests I've gotten this much done. Today I'm trying to clean up what accumulated before going to Lil's family reunion for as short a time as I can get away with. It is my hope to make two copies so I can send one to you and one to Gary for the fastest possible reading and suggestions. Remember, if it is single-spaced and on NCR paper, that it almost imperative that the pages not be changed in length. I hope it will go faster this coming week. I should be back on it by tomorrow, if not tonight.

One of the things in the Councillor that could interest me is the names of wealthy New Orleanians, especially any named Tony, simpatico with them.

Hope you are having a good summer and getting the thesis done.

Best,

CC Gary

Dear Gary/ Harold:

I have just subscribed to The Councilor, a copy of which is enclosed.

Tell me whether you want me to send it to you after I have read it. I would like to keep the issues, so if you want to see the paper we'll work it this way: I'll send the paper to Gary, Gary will send it to Harold, and Harold will send it back to me.

Do that with the enclosed issue, in any case.

*Dick*
