## FEDERAL BUREAU OF INVESTIGATION

Date 4/12/68

Mr. HENRY KELLY was interviewed at 2668 Highland Avenue and furnished the following information.

Mr. KELLY advised that he has been employed as a cook for Mr. PETER CAMPBELL for the past several years and was so employed when CAMPBELL occupied the present house, 2668 Highland Avenue.

After being advised of the nature of the interview, he stated that he remembers ERIC GALT only vaguely. He remembers that he occupied Room 14 for about two months shortly after they first moved into that house. He said that he serves breakfast to the boarders between 6 and 7:30 every morning and that this individual in Room 14 came out of his room at approximately 7:15 or 7:20 after everyone else had finished breakfast and gone to work, had his breakfast and then went back to bed. KELLY advised that he recalls "fussing" at this man several times for waiting so late to have his breakfast.

KELLY stated that he recalled something peculiar about this man is that he paid for room and board each week he was there, except the last week, he only paid for a room and did not take any meals. He said that he recalls this individual stating that the reason he did not have meals was that he did not have any money.

KELLY viewed a composite drawing and stated that it resembled GALT, except that he believed GALT to be thinner in the face than this drawing indicated.

KELLY is described as a Negro male, approximately 50 years old.
