I have never liked Ronald Reagan. Even back in the days of his bad movies - bullshit flicks that never turned me on to any glow - I felt about him the way I felt about such nonviolent cowboys as Roy Rogers and Gene Autry; that they were never going to cause any action or allow anything to happen. They were just there, occupying space and wasting my time, my money and my sanity. There was a sort of unreality in their style. One knew that movies were into a make-believe bag, but the unreality espoused on the screen by the flat souls of such Pabulum-fed actors as Reagan reflected to me - black ghetto nigger me - a sickening mixed bag of humorless laughter and perfect Colgate teeth, with never a hint of the real funk of life. Inspired, promising nothing and delivering even less, a Reagan movie was nothing to get excited about. There would be no surprises.

But what happened was that Ronnie landed a TV show. Equipped with opulent sponsors and some slick script writers, the mediocrity of his grade-B spirit was glossed over and concealed by the make-up of a rhetoric-fashioned by a committee of crew-cut word-mongers. With all this going for him, it was natural for him to turn to politics when Hollywood's keenest make-up artists began to find it increasingly difficult to deal with the wrinkles that were slowly turning his face into a replica of

He was in the best of states to get into his thing; California had demonstrated its ability to relate to the politics of the absurd by electing to office such blobs of political potty as Richard Nixon and Max Rafferty. And having picked the proper place, he could not have chosen a better style. Ronnie used a pat formula that said: pick the toughest problems confronting the people and launch blistering attacks upon all sincere efforts to come to grips with these problems; offer as an alternative a conglomeration of simple-minded cliches and catch phrases that go back to the Mayflower; sing the "Star-Spangled Banner" and smile broadly, effusively, as you wave the flag at the people, use a fighting "I'm fed up" form of delivery; and always remember that when nothing else works, there is still the tried and proven gambit of demagogic politicians, especially in California - viciously attack the perennial whipping boys of the American Dream: subversion con-

cealed in the words of textbooks, the "decadence of universities and the misguided students being duped by a handful of professors who are under the subtle influence of the Communist Conspiracy". Well, it worked. Mickey Mouse is governor and Donald Duck is a candidate for the U.S. Senate. That is what we have to worry about. And deal with.

not believe, however, that America has the rulers it deserves. The State of California, emphatically, could not deserve the rulers it has. Yet we have them, and this is an election year. And what an election year: this is the nightmare election year of the American Dream.

Everything is out in the open this year. Nobody is trying very hard to conceal anything. As usual, the key issue in the election is what to do about the niggers - only this time, the question is being rewritten to read, what to do with the niggers. From the point of view of the niggers themselves, the question has also been rewritten and now reads, what are we going to do about this shit?

A surprising development - one which offers the possibility, perhaps the only possibility, of a monkey wrench being tossed into the smoke dreams of the racists - is that a sizable portion of white Americans are in revolt against the system. So the issue of Law and Order, or Crime in the Streets, becomes key.

In California, Mickey Mouse looked out from his perch in Disneyland for an opening to get himself back into the act, having been kicked off the stage in Miami by a pig who had been in the game a little longer. From where he lurked, Mickey Mouse fixed his blank stare on the campus of the University of California, Berkeley. He had received a tip that a situation tailor-made to his needs existed on that campus. Eldridge Cleaver -

the apotheosis of the American nightmare: loudmouthed nigger, ex-convict, rapist, advocate of violence, Presidential candidate - was retained by the Berkeley subversives to teach a class on the university campus, i.e., to corrupt the morals of illy-white American youth. So Ronnie Baby, doing his Republican duty, emerged from his pen to take up the cudgels of battle: "If Eldridge Cleaver is allowed to teach our children, they may come home some night and slit our throats. Therefore, the people of the State of California will not stand for this!"

Right on, Mickey Mouse. There are those of us who know what you are into, and we don't like it. Furthermore, we are going to deal with it, with you, to put an end to your absurd olanking in the faces of the people. So that all those bullshit changes that you went through with the Board of Regents, forcing them to emasculate the course in which I was to participate as a guest lecturer, don't mean shit. It displeased you, I understand, that even the Board of Regents did not buy you whole hog; that, in fact, they agreed to allow me to deliver one lecture.

Big deal. Who in the fuck do you think you are, telling me that I can't talk, telling the students and faculty members at UC Berkeley that they cannot have me deliver ten lectures? I'm going to do it whether you like it or not. In fact, my desire now is to deliver twenty lectures. You, Donald Duck, Raf-

ferty, Big Mama Utruh, and the admitted member of the racist John Birch Society who introduced the resolution into the legislature to ensure those responsible for inviting me to lecture in the first place - all and each of you can kiss my black nigger ass, because I recognize you for what you are, racis demagogues who have their eye on the ballot box come November. The students and the faculty members at Berkeley are trying to salvage the American people from the brin of chaos that you pigs have brought on. Your thirst and greed for power is so great that you don't care whether or not in your just you destroy the vital processes of barbaric society that is trying in its parts to become civilized.

I don't know what the outcome of all this will be, but I do know the I, for one, will never kiss your ass will never submit to your demagogic machinations. I think you are a cowardly, cravenhearted wretch You are not a man. You are a pun! Since you have insulted me by calling me a racist, I would like to have the opportunity to balance it books. All I ask is a sporty chance. Therefore, Mickey Mouse, I challenge you to a duel, to it death, and you can choose the weapons. And if you can't relate that, right on. Walk, chicken, with your ass picked clean.

PIGS MEET PANTHERS ARRIVING IN SAN FRANCISCO

The fascist FBI pigs have instituted a new tactic of harassment of members of the Revolutionary Vanguard. Now, they have become a welcoming service at the airports. For a long time, we have been aware of pigs watching us at airports, bus and train terminals, but now, we must endure a search and interrogation before we are allowed to continue on our business.

Recently, two members of the Harlem Chapter of the Black Panther Party arrived at San Francisco International Airport and

were met with such a reception. Sister Charleen Lane and Brother Henry Mitchell, although they are two of the few members of the Party who are not being sought by the pigs, were forced to submit to the same treatment meted out to fugitives from their so called "justice". They were met, as they stepped off the passageway from the plane to the terminal by no less than 10 assorted FBI and local pigs. They were hustled into a previously prepared "interrogation room" while other travellers and

friends looked on in amazement. They were searched, forced to produce ID, and asked many personal questions by FBI pigs as ugly fascist San Francisco pigs stood by wiping dripping saliva from their mouths with one and lovingly carrying .45's and .38's with the other hand. The only excuse given for these abuses was that Brother Mitch "unfortunately" looks like someone they are looking for.

The week before, another brother from New York, Zayd-Malik Shakur, was greeted in San Francisco the same way. He, too, was told that he looked like someone they were looking for. Despite the fact that the two brothers, Mitch and Zayd, look nothing alike, we are supposed to believe that, somehow, they both fit the description of this fugitive. Bulls--t, m-----f-----! We know that Tricky Dick and Hop- pin' Hoover have instructed you to keep the "heat" on the Panthers. We know that they are moving so fast that often, as in Chicago, local pigs are not allowed to participate for fear of messing up. (local pigs are so stupid).

Since then, several party headquarters across the country have been raided by FBI agents, including the Chicago office, and on Tuesday, 16 local party members were indicted by a grand jury.

FASCIST PIGS RELEASE ALL OUT REPRESSION AGAINST THE PEOPLE AND THE PEOPLE'S ARMY

The major indictments returned by the Cook County Grand Jury against the Black Panther Party were a concerted effort by the federal government to destroy the leadership of the people's vanguard. But like their efforts in the past, these reactionaries have proven themselves to be paper tigers. The fascist pigs have redoubled their attempts to destroy the Party since their frame-up of Deputy Chairman Fred Hampton failed to stop the Party and its programs.

The Justice Department and its agents are trying desperately to keep the truth from the people. Deputy Chairman Fred Hampton has been transferred from Stateville penitentiary to Menard penitentiary. The federal government neither notified his attorneys nor

his family of the transferal June 3rd. The government still refuses to accept his motions for a new trial and appeal bond.

The midnight indictments against the sixteen Panthers were immediately followed by the issuance of arrest warrants. The attorneys were not allowed to see their clients until the bond reduction hearings and information that was necessary to support the pleas for bond reduction was withheld.

The Black Panther Party has become the target of a growing nationwide campaign to cripple its operations in Chicago and other major cities. The Justice Department in Chicago admits that there had been concerted "FBI activity and investigation" with regard to the Black Panther Party. The federal pigs have given the order to

unleash the repression against the Illinois Chapter in order to stop the mass movement and its programs to aid the oppressed peoples.

The indictments followed the arrest of 11 Panthers on Sunday, June 8th. The Panthers were stopped in their car by fascist pigs. They were ordered out, searched, and physically abused. The car was searched without a warrant. The pigs then planted marijuana in the car. The Panthers, who are forbidden to carry marijuana in their possession were later charged with possession of marijuana and released on \$1,000 bond. The pig press misled the public into believing that medical supplies that were in the car were chemicals for explosives. One sister was severely injured when the fascists

pushed her to the ground and kicked her in the back. She was pregnant and now is threatening miscarriage. In the maternity ward of the Cook County Hospital.

On June 4th at 5:00 in the morning, 500 fascist pigs cornered off a 5 block area surrounding the office. Federal marshalls, FBI agents, and local pigs armed with machine guns, heavy weapons, bullet-proof vests, and a helicopter raided the office. Eight members of the Black Panther Party were arrested and charged with "harboring a fugitive" that the pigs never found. Following the arrests, fascist wrecking crews armed with hatchets went to work to destroy the office. All equipment and fixtures were either stolen or destroyed beyond repair. Some of the money was to buy food for the

Breakfast for Children Program and the establishment of a free medical center for the people of the community. Damage to the office was estimated at \$20,000.

The federal pigs have failed once again to destroy the Party. They have only rekindled our efforts. We will surmount every obstacle placed in our path and forge close links with the masses. We will make the masses understand that "without the peoples army, the people have nothing."

FASCIST PIGS ATTACK PREGNANT SISTER

power
to the people

Eleven Panthers were busted Sunday evening about 8:15 p.m., about 12 blocks from the office. Six (6) brothers and five (5) sisters left the office about 8:00 p.m. on their way to see a Chicago film concerning the Panthers. They noticed they were being followed and turned a corner to stop for a second. Task force and pig cars converged on the car. People in the community started to come out to find out what was going on. The people knew they were Panthers and started to attack the pigs and threatened to come out with their pieces; the pigs then moved the brothers and sisters into waiting paddy wagons and police cars before an "incident broke out". The Panthers proceeded to pass out literature while they were being arrested. The pigs said before they left the scene that the brothers and sisters would be charged with possession of chemical explosives and inciting a riot. The Panthers were then taken to the pig station where they were held for at least 5 hours before they

could find a charge to place on them. Shortly after Ann Campbell and I arrived at the pig station to get the people out, I asked the pig what the charges were and the pig told me they didn't know yet. I told the pig that they could not hold the brothers and sisters if they didn't have a charge. Ann and I immediately moved to phone the lawyers. About that time the sisters in the lock-up had started to conduct a political education class and the people in the lock-up started talking, and the pigs said they were causing confusion and said they had to be moved. I saw the pigs bringing out Andrea Graves with her hands handcuffed behind her back. They pushed her and the rest of the sisters into another room. Sandra Rich - nineteen (19) years and 3 months pregnant was walking out of the lock-up to the other room. Evidently she wasn't walking fast enough. The fascist pigs started to push her, the pig knocked her down and kicked her in the back and stomach. They

then moved her into the room and made her stay there till she was transferred later that night to the Super Fascist Pig station at 11th and State Streets. The Brothers remained at Wood Street Station. We left immediately for 11th St. Station, when we got there Sandra had been taken to Cook County Butcher Shop (hospital) for internal injuries. The sister's health was threatening. mis-carriage and bleeding from the kidneys. She was not allowed any visitors and was placed under guard. The next morning everyone was released on bond except Sandra; charges were as follows:

- Sandra Rich - 19 years resisting arrest, interfering with a pig, possession of marijuana.
- Andrea Graves - 20 years resisting arrest, interfering with a police officer, possession of a hypodermic and marijuana. Bond \$1,000 Cash \$100.

The sister was a licensed practical nurse and medical supplies were in the car. All the brothers

were charged with possession of marijuana and interfering with a pig's arrest.

- Jesse Ward - 18
- Randall Rollins - 18
- Terry Watson - 20
- Walter Johnson - 18
- Carlson Jones - 18
- Samuel Larson - 19

The charges of possession are trumped up; no one had any smoke. Andrea Graves and Jesse Ward had been arrested previously in the vamp on the office. Sandra was released after we went through a lot of bureaucratic five and sent to Columbus Hospital still threatening mis-carriage. Bonds were set at \$1,000 each and a \$100 to walk.
