Black Panther' in Cuba Is Called BL Agent by Party Chief

27—The Black Panther party's chairman says a man who complained in Havana that there is a revolutionary lag in the Cuban government is not a Black Panther as he claimed.

In a news conference on the Alameda County Courthouse steps Thursday, Panther chairman Bobby Seale asserted that Raymond Johnson is ple's Socialist Government." "nothing but an agent for the fascist CIA and FBI."

Johnson, who was once a Southern University student in Louisiana, hijacked an airplane to Havana in 1968 and told the Associated Press on Wednesday that Panthers have been "isolated and imprisoned" in Cuba.

Johnson, 22, of Alexandria, La., said that American Black Panthers in Cuba-including fugitive party information

> yesterday (Wednesday) that he Panthers sponsored for chilwent to Cuba by hijack, which is a good way for the fascist FBI pigs of America to cover up and try to make Cubans think that anyone who hijacks an airplane is not a destructive agent to the Cuban Peo-

Earlier in an interview, Seale once again repudiated a children's coloring book that preached violence against police and white merchants.

The coloring book was "unauthorized." Seale said. He charged that Larry Clayton Powell, a party defector who testified before the McClellan Senate subcommittee, printed 1000 copies of the coloring book to use against the party.

tors the coloring book was dis-Seale said, "We found out tributed at breakfasts the

> "It was first printed in 1968 by a young party member from the Sacramento chapter. He was not politically mature and was not aware of the class position of the Panthers," Seale said.

"When we discovered it, we stopped its printing. We only saw about 25. The rest were copied later by Larry Powell."

Five Black Panthers leave Omaha's Central police station where they were taken for questioning yesterday about disorders.
