† † † Wanton Murder by (Millionaire) Public Official(s) Is Still Illegal

HOW DARE FACIST VALUES BE IMPOSED ON THE AMERICAN PEOPLE

THE RECORDS ARE CLEAR. He epitomizes and is perpetuating the Big American Lie.

- Genocide – ATTICA TRADEGY, September, 13, 1971
- Imperialist Ties with South Africa (Pull *YOUR MONEY OUT* of Chase)
- Welfare Cuts
- Phony Narcotics Program which ignores the International Conspiracy
- Plantations in South America
- Abandoning his first wife, taking on his neighbor's wife and having the nerve to move into the same building.
- Eliminating Rent Control
- Cut Medicare
- Making Writing Numbers Illegal, while legalizing betting (playing numbers) with his controlling cohorts (OTB)

FIRST ORDER OF BUSINESS FOR ALL AMERICANS WHO CLAIM THEY ARE SICK OF THE DOUBLE STANDARD

WE DEMAND THE FOLLOWING:

- • **PEOPLE'S COMMITTEE** to Investigate the Attica Tradey
- • We demand **PUBLIC PICTURES** of ALL the bodies of the murdered men
- • We demand ballistics spectragraphic and neutron activation tests to show where the bullets came from.

*We DON'T want another Kennedy-King-Kennedy KOVER UP.
America has had enough Oswalds.*
