Hal -

I regret terribly my long silence -  
all correspondence has been  
most difficult in recent months.  
But enclosed is new COSMEP  
directory of Small Magazine  
editors ... and just have a  
look at what news pages 34  
and 44 hold! — Also,  
what's this book of Lattimer's  
all about?

— More later, and  
do keep in touch,

Bill
