MEMORANDUM FOR: The Director of Central Intelligence

SUBJECT: Plans of Cuban Exiles to Assassinate
Selected Cuban Government Leaders

1. The following report was compiled from information obtained by Agency officers from persons who were parties to the actions described. Agency officers made clear to each of the sources that the United States Government would not, under any circumstances, condone the planned actions. Presumably the sources of the report, in submitting this information, were motivated in part by the belief that by disclosing the information they would obtain immunity against legal action should they succeed in implementing the plan.

7. The identities of the persons in the group and how they plan to proceed with this mission are not known. associates are reluctant to make any unnecessary queries because they have invested \$2,500 and because made it fairly clear at the beginning that the Mafia was involved. re- vealed during the negotiations that his contact was a police officer in the St. Louis, Missouri, Vice Squad who was about to retire and who has numerous connections in the Mafia. implied that "the other man" in question is in Spain.
