Re: Rev. A. Kruschevski

At approximately 5:00 p.m. on Sept. 30, 1968, William Boxley, accompanied by Joel Palmer went to the home of Rev. A. Kruschevski at 4516 Galvez, New Orleans. We were confronted at the door by Mrs. Kruschevski who asked our identity. After being informed of our purpose, she left the door and returned several minutes later. We entered the house on her invitation and were informed that Reverend Kruschevski was not there but that he was on the phone. (We heard no phone ring.)

Arched eyebrows

Mr. Boxley spoke with the Reverend and arranged to meet him in a few minutes at the corner of Loyola and Calhoun. We drove to the location and were approached by Kruschevski, a man in his sixties with a very odd appearance. His hair is possibly a wig and is dyed a reddish brown. He sports a Hitler-like mustache and dresses in a manner not in keeping with his economic status.

Mr. K. entered the car and appeared quite cooperative. Mr. Boxley questioned him regarding the house he owned on at 1713 Calhoun in 1962 at the time of Robert Perrin's death. K. remembered the incident and claimed never to have been questioned by the police. He described Perrin as a man about fifty-five with grey hair. He described Nancy Perrin as being about thirty-five and quite thin. He said that she was not attractive in his opinion.

Mr. K. said that the Perrins lived there for three or four months and were not outstanding in any way. They never caused a disturbance. He did not know where either worked or anything about their lives prior to moving to that address.

When asked about the people who lived in the apartment next to the Perrins, Mr. K. related the following story to us:

A lady about 45 years old and appearing to be a nurse or waitress occupied the apartment for an undetermined length of time. She then announced to Mr. K. that she was leaving and a man was taking over the apartment. Mr. K. claims never to have seen the man and that he lived there for two months without paying the rent. Mr. K. says that he went over several times to confront the man whom he says he was not known to him by name and to collect the rent. Mr. K. says that he "wrote several times to Mr. Walker (an obvious slip)" to demand the rent. He finally served an eviction notice on this unknown gentleman and forced him to move.

Mr. K. stated that he thought the man was an engineer because he had equipment in the apartment. When we inquired as to whether it was radio equipment, Mr. K. answered affirmatively. He said that he thought there were "three or four sets" there.

When asked if his two sons were available for questioning Mr. K. was quite evasive. He finally gave us their names explaining that they could be of little help. They are Samuel Krusch who Mr. K. says spent 3 years in Israel during the early sixties. He could not

furnish us with his purpose for that stay. A check of the 1960 city directory has Mr. Krusoch listed as a real estate salesman for Isabelle DeBlanc on Ursuline St. He apparently lives at the 4516 Galve, St. address currently. The other son is Gerald Kendall who resides at 2708 Coliseum and was allegedly a member of the British armed forces in WWII.

Mr. K. was then asked by Mr. Boxley if he knew Guy Bannister. At first he said no and then told us that Bannister had once sent a representative to him to inquire about renting an apartment. He thought that the rep. was a lady from Chas Morrison's office. He stated that the apartment was never rented. Mr. K. stated that he thought that there was a physical resemblance between Bannister and Perrin.

Mr. Boxley then asked Mr. K. whether he knew David Ferrie. Again there was a negative reply but K. later expressed his opinion on Ferrie's death saying that it was strange that "such a young man should suddenly die". He stated that he thought that too little attention had been given to Ferrie's death by the press and the D.A.'s office.

Mr. K. denied any knowledge of Clay Shaw.

Mr. K. lists himself as a Rabbi in the directory but an appraisal of his house would not indicate any sign of the Jewish religion. The most notable inconsistency is the rather strange Buddha which rests on a table. He has none of the obvious signs of a religious man.

Mr. K's wife's appearance was as odd as his. She wore a headband in the manner of an American Indian and a silk "grey" "gypsy like" dress. Her hair is also obviously and incongruously dyed.

Mr. K. stated that he owned about 20 apartments
in 1962.
