Wallace 2nd NL Insert

LAUREL, Md. Wallace 2nd NL a331 insert after 10th Graf: Jan. 15.

A source close to the investigation said FBI agents combing Denver's Milwaukee apartment found small handwriting samples of paper which showed he had allied himself with "left-wing circles." The source did not elaborate. A name check of FBI files failed to turn up any record that Bremer has been convicted of a major crime, the source said.
