

Bremer Appeal

ANNAPOLIS (AP)—Lawyers for Arthur Herman Bremer have started a formal appeal of his conviction in Prince George's County Circuit Court for wounding of Alabama Gov. George C. Wallace and Mrs. Luther H. Ford last May in Laurel.

The appeal was entered by Benjamin Lipitz and his daughter, Ellie, following receipt by the state court of Special Appeals of the full verbatim transcript from the Circuit Court trial which resulted in Bremer's 10-year prison term.

The attorney previously had said he would appeal the conviction if money could be raised to make a necessary copy of the transcript.

Bremer earlier said he was trying to sell his diary to raise the money. Miss Lipitz said that no publication rights had been offered but she declined to say where the defense had the \$2,000 estimated to be needed for the transcript.
