### Part of Plot to Shoot Wallace

MILWAUKEE, Sept. 4 (AP)—American party presidential candidate John Schmitz says there is evidence that at least one person was involved in a plot to assassinate Gov. George C. Wallace. Schmitz, a member of the Birch Society, said today that the organization denies such allegations in its American Opinion magazine.

Schmitz, speaking out about himself, said he was once a member of the Birch Society and Arthur Bremer, the assassin of Sen. RFK, was also a member.

Mr. Bremer, who died, was a member of the Birch Society, Schmitz said. Bremer was a member of the Birch Society, Schmitz said. Bremer was a member of the Birch Society, Schmitz said.

Schmitz, a native of Milwaukee, said a Republican candidate for California had been campaigning in Wisconsin during the Labor Day weekend.
