

Geraci-Bringuier-Bonds

"Bringuier advised that he knew of no associates of Oswald with the possible exception of a PHILIP GERACI, III, who resides in Metairie, Louisiana. He describes this person as a youth about 16 years of age who came to his store a few minutes before OSWALD appeared for the first time August 5, 1963 and offered his services to the Cubans who were anti-Castro, and during the time he was in the store he gained an impression that he might be an associate of OSWALD. The only reason he says he is possibly an associate is because they were both in the store at the same time". CD 75-686 (O in NO441)

6 Another man possibly in store when "LHO" was, aside from Pelaez." "e man from a
moving company or some trucking company came in. He had a radio that needed to
be fixed, a broken radio, and Lee Harvey Oswald came it."

10 Though "LHO" had said he had been in Florida and had looked into
anti-Castro activities there.

13-4 "LHO" promised him and Philip, not Bringuier, his Marine manual.

15-6 After ass, he and Philip discussed meeting Oswald. But Raul says Philip
never mentioned it to him.

16 When Vance was telling of recognizing Oswald on TV and telling his
father, Liebeler cut him off. No test. on what he told his father.
