Cuba Republic Event Monday

Cubans have been urged to attend their republic's 51st anniversary celebration in Galileo Hall at 8:30 p. m. Monday. The invitation was issued by Carlos Bringuler, of the Cuban

Student Directorate, who said he spoke for New Orleans' 1400 Cuban revolutionary organizations without distinction of political ideologies and united in the common goal

of the elimination of the Communist regime. The organizations include, he said, the Cuban Revolutionary Council, the student directorate, Alpha 66, Second Front Escambray, Directorio Magisterial, and Revolutionary Rescue.

He said Robert J. Angery Jr., editor and publisher of the Franklin (La.) Banner Tribune will be honored at the meeting.
