

10/3/71

Dear Jim,

Your 10/3 letter to me (via David) is excellent.

One small exception: if you indicated those to whom you were sending copies on the encl., which I do not use.

Also, by the way, is Gov. Charles Holloman a trusted friend?

It is also an excellent recap.

It is true that the inter-American press is not a good source of info. In fact, they have only the file copy of the entire 1967 proceedings. They say that I can see their file copy, but I've never seen them, nor have I been able to get for a zero, or 've' at all. This is not the only possible major development at all.

For purposes of my own work, I am far past that point. But if you really want a copy (and the CIA may have printed the entire text), I'll try and be able to get it for you. I have another possible source.

My greater interest is in the CIA's presentation of what the Gueber said.

Thanks,
