

Dear Mr. Weisberg: June 16, 1970.

As you may recall I wrote you last May about The Kennedy assassination. I believe my letters to you were read, for Govt Secret Service men have been asking my father my whereabouts (surveillance, harassment). Has this happened to you, and what can be done to stop it? I've written to Sen. Mc Govern + Ted Kennedy about this. It seems the govt wants to make everyone who questions The Warren Report suffer for their beliefs. Why don't we all form a "union", to protest this interference with our privacy, as Citizens! As Americans!

② Recently, I visited Dallas and took some pictures of the "Scene". It seems, from the photos I have, that the "overpass" could have been the place from where <sup>some</sup> shots came - also there are trees in the vicinity, or shots could have come even from Bystanders since the roadway is so narrow there. Couldn't someone armed with a ~~revolver~~ revolver + silencer in the shape of a movie camera, for example, with "rifle fire as a cover, have done it?" (In the Best CIA - Secret Service Tradition)

Why hasn't the govt released the X-ray photos of the President's Head - ? It seems like they are trying to cover some thing up. For at least 75 years!  
Coverup, That's what is! Coverup!

Wallace, Agnew ~~+~~ MR. Nixon <sup>→ The country.</sup>

Personally, I believe  
The assassination was a  
"joint operation" of the  
Ku Klux Klan + The Mafia  
with certain Govt. elements  
<sub>included!</sub>

In the South, The KKK is  
becoming much stronger - & the  
city-mafia elements seem to be  
even encouraging this!

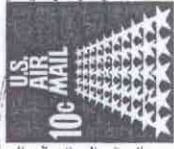

also, The former slaveowners <sup>opposition</sup>  
to Civil Rights, here in The South,  
was a factor in the assassination!

③ The upper-wealthy classes, of the U.S., seem to be enjoying <sup>the</sup> ~~the~~ <sup>of</sup> ~~the~~ <sup>hard-</sup> ~~the~~ <sup>heart-</sup> ~~the~~ <sup>slaughter</sup> of the Viet-Nam War, especially here in the South, (I'm a Yankee) and here in New Orleans, in the ~~the~~ French Quarter, - Reaction is rampant. Arrests of hippies, addicts, & just "poor people" is now a regular campaign! The word <sup>is</sup> ~~is~~ <sup>out</sup> that the next "Big" assassination will be Fidel Castro. The Cuban Emigrés are working "happily" on this one! I believe John F. Kennedy would have ~~worked~~ worked out a "compromise" in Vietnam, but the "Collective" Right-Wing, here, <sup>the</sup> ~~the~~ <sup>made</sup> up of Capitalists, Criminals, Emigrés, Military & Police Officers, here, are living "high on the Hog!" All of them have a very smug, self-  
(over)

~~So~~ satisfied look! Have  
you ever noticed that Mr.  
Weisberg? Here, in the Quarter,  
Their smug self-satisfaction  
(I've got a secret - I know the  
solution to the mystery) is sick-  
ening! Oh, are they ever  
glad what happened to that  
"upstart" Irish-Catholic "liberal"  
President. With his blood, they've  
Cashel <sup>Billions</sup> on ~~millions~~ of dollars  
and 42,000 other lives as well.  
The Crooks, The Capitalists are all  
Happy! You know, Mr. Weisberg,  
~~That I'm saying~~ it's all seeing

Roman Empire" Sincerely, J. Bruce
