Sen. Kennedy's answer, incldentally, should have been directed to the question of whether the story was true, not why the story was written. He knew that we had been reporting on wiretapping and eavesdropping for some years, because he had talked with us about it, especially the series of columns reporting on the bug on FBI Black when Kennedy was Attorney General.

There was one error in the President's column complained about. It could and actually would indicated that the tap was con- order the FBI to bug the teletinued on Dr. King's wire, up phone of a distinguished until the time of his assassina- American like Dr. King is an tion.
